All accounts must be in good standing with the Howell Area Chamber of Commerce to be considered for Farmers' Market application.

NEW VENDORS: All applications will be reviewed before acceptance is admitted.
 Please do not send checks or or payment until acceptance HAS been confirmed.

All Growers and/or producers of food items (excluding baked goods) are required to complete an inspection process. If you are a new vendor please contact the Market Manager to schedule your inspection. There is a **\$50.00 inspection fee** in addition to, and separate from, the space rental fee(s).

Please provide a brief description of your booth arrangement below, to help in assigning spaces. Describe **canopy size**, table set-ups, etc. You must **request permission** to park within the market area. Many spaces cannot accommodate vehicles. Having vehicles in the market is discouraged since it negatively impacts the appearance of the market and blocks other vendors from being seen by market visitors.

Important Farmers' Market Notes:

- **New Vendors:** Please complete the enclosed pre-inspection form. List all the items you will be bringing to the market and the quantity. Please include payment for the entire amount of the space rental, as well as a separate \$50.00 inspection fee (done every 3 years), payable to the Howell Area Chamber of Commerce.
- Vendors are limited to **4** spaces. Additional spaces may be requested for limited periods of time when the vendor has additional product to bring to market. The number of spaces you are allocated is based on the amount of product you regularly bring to the market—not the size of your vehicle. If the vendor is unable to consistently fill the space that was rented, the amount of space could be reduced and the vendor would then receive a prorated refund.
- Spaces on State Street are 9' wide. An **8 x 8 canopy is highly recommended**. Vendors with larger canopies may be required to move to an alternate space due to space restrictions.
- **A copy of all applicable license(s)** must be included with the application or the application will not be processed.
- **NEW VENDORS:** If you do not yet have your 2017 license at the time of your application, please enclose a copy of your 2016 license and/or a copy of your 2016 inspection from the Department of Agriculture. You will not be accepted into the market until it has been confirmed that you have been inspected through the Department of Agriculture.
- This signed **application** confirms your intention to abide by **all** rules, regulations, and codes of conduct and **must be signed to be considered for space at the Howell Sunday Farmers' Market**.
- Please include payment in check form for the entire amount of space rental, payable to the **Howell Area Chamber of Commerce**. If your application is not accepted for any reason, your check will be returned to you.
- **All applications must be returned to the Howell Chamber before April 1st. Returning vendors, please pay your balance in full. New vendors will be accepted verbally or via email, then please pay your balance in full.**

Important Final Reminders and Acknowledgement (must be signed or e-signed)

- Space a market is tight. Be mindful of your neighbors and try to work on staying within your own spaces to the best of your ability.

- I must have your application by April 1st or your prior space will be forfeited and reassigned.
- Each Sunday, please unload your vehicle as quickly as possible and move it to the parking area. Set up should be done after your vehicle is moved. We have a lot of people trying to get into a small area. Please be courteous.
- Since space is limited at the Howell Melon Festival - we are limiting Daily Vendors to those who have attended the market a minimum of at least six markets in the year, prior to the Howell Melon Festival.
- This is an inspection year for farmers. There will be one inspection in June and a second inspection in August.
- Please be respectful to your fellow vendors. Any altercations that cannot be handled yourself will result in consequences.
- The market prides itself on having homegrown and local vegetables. Any vendor who does not follow this criteria not be welcome back with that product.

I _____ have read, understand, and agree to abide by the Rules, Guidelines and Code of Conduct set forth by the Howell Sunday Farmers' Market, as evidenced by my signature here.
