

At Michigan Works! Southeast, we are committed to the safety of our team members and customers.

In efforts to help mitigate the spread of COVID-19, Michigan Works! Southeast offices will remain open, however, our services will be delivered through an increased use of technology. Effective immediately, all Michigan Works! Southeast locations are open for appointments only. The number one priority of Michigan Works! Southeast is the safety of our team members, customers, partners and the communities we serve. As a result of COVID-19, we are rapidly changing the way in which we provide services to our customers.

All Michigan Works! Southeast workshops, Job Fairs, Employer of the Day, and in-person Adult Education classes have been postponed until further notice. To learn more about how we are handling COVID-19, visit: mwse.org/covid-19

To file an unemployment claim, please file online at: Michigan.gov/UIA or call **1-866-500-0017**

- Under a temporary policy change, families who receive or apply for cash assistance under the Family Independence Program will not be required to attend orientations at Michigan Works! Southeast offices or to engage in subsequent employment.
- Unemployment Claimants do not need to report to a Michigan Works! Office to register for work
- Please do not visit a Michigan Works! Southeast office if you feel ill. Additional information on COVID-19 can be found at: cdc.gov/coronavirus
