6. Entries depicting a political organization, candidate or controversial issue will not be considered.
7. Maximum height for entries is **13 feet** from the ground. Maximum width is **8.6 feet**. Maximum length is **55 ft.**
8. All units are required to maintain **forward motion at all times**. No maneuvers are allowed that slows the forward movement of the parade. This includes color guards, animal entries and cheer/pom teams. **NO DRILLS!**
9. All entries **should** be properly identified with signs or banners with the organization's name so the spectators know who you are – however there may **NOT** be any banners hanging in the front of the vehicle. This is not a commercial parade – please no sales messages – a holiday message is suggested.
10. Drivers of motorized vehicles must be at least 18 years of age and have a valid driver's license. The chamber must receive a copy of the driver's license one week prior to parade day. Participants are required to have auto and general liability insurance covering bodily injury and property damage.
11. Siren and Horns - **Please refrain from using them**. They frighten young children and animals and compete with musical units and are not in keeping with the parade holiday ambience.
